PG Admissions Requirements:

- High School Diploma.
- Demonstration of intermediate English proficiency.
- Minimum test scores and GPA depend on individual focus and desired outcomes.

Admissions decisions and course schedule based on individual's goals for the semester or year.

Required Courses:

- One English course to address areas of greatest language need (reading, writing, speaking, or listening).
- One U.S. History class.

See online [Course Guide](#) for more information.

International Post-Graduate Program

Thetford Academy's PG program offers international students an opportunity to enhance their academic English skills, strengthen their résumé, and prepare for a successful college experience in the U.S.
