A personal note from your Alumni Association Officers

The Alumni Association, under the leadership of Loretta Gray, ably assisted by family and friends, have fed the masses at two annual major Cross Country meets for the past 15 years. The result of that skill, focus and perseverance is money and prestige! TAAA donations have enhanced multiple academic and sports programs at Thetford Academy by \$10-\$15,000 per year. The buzz about the quality and speed of food service is legendary!

This year we are attempting a hybrid approach to feeding 2000 people at Woods Trail and the VT State XC meet. These events really need a dedicated focused individual(s) to keep the quality and quantity at the present high level. New leadership is also needed to bring in new helpers with plenty of energy and enthusiasm!

Any interest? Please contact:

REUNIONS - Multiple spaces are available for Class reunions at Thetford Academy. Please contact Patty McIlvaine at patty.mcilvaine@thet.net to reserve a date and space.

E-NEWS - As stamp prices continue to rise, the ability to mail paper newsletters diminishes. To receive news in your email instead, send your email addresses to Patty at patty.mcilvaine@thet.net or sign up on the TA homepage at thetfordacademy.org. Weekly e-news from TA will be delivered to your inbox each Thursday. Biannual news from TAAA will also be included in this e-newsletter.
